23 July 1984

MEMORANDUM FOR: Vice Chairman, National Intelligence Council  
[redacted] National Intelligence Officer at Large  
FROM: Director of Central Intelligence  
SUBJECT: SNIE 73/5-84, Trends in South Africa's Nuclear  
Programs and Policies

STAT

I generally agree with the Senior Review Panel's comments, although I did find the history of South Africa's work on nuclear weapons enlightening.
